

comfortable and convenient

## Laundry Chute

## Discover the possibilities

### ENJOY A CLEAN AND COMFORTABLE HOUSEHOLD WITH THE HELP OF EASY-LINE.

The easiest way to bring dirty laundry to your wash machine is through a **Easy-Line system**. Just toss your laundry into the laundry chute door. It will make its way directly to your laundry basket next to your wash machine in a flash!

Who wants to collect and carry dirty laundry around their house? Make your life „**easy**“ with **Easy-Line**.

There is not a **more comfortable or convenient** way to bring laundry into your laundry room.

All you have to do is open the laundry chute door and through all of your dirty laundry down the laundry chute.

#### Smart closures:

**We offer child safety laundry chute doors! All doors have an adjustable spring to adjust the tension to give small children no chance to open them on their own. We also install locks on our laundry chute doors upon request.**

The **Easy-Line laundry chute system** are a well thought out, pluggable pipe system that requires no maintenance after installation.

**Dirty laundry piles** are a thing of the past thanks to our Easy-Line laundry chute system. Forget about carrying heavy laundry baskets to your laundry room or having to bend over to pick up scattered laundry across the house. Easy-Line eliminates these types of chores.

The comfort and simplicity of Easy-Line systems will cover any doubt you may have. Your family members will appreciate this amazing product – **A LIFE TIME, DAILY!**
